IELTS Advanced

"My experience at Impact was unique. The teachers and staff are very professional and always ready to help the students with any enquiries. My feedback about the IELTS course is completely positive, because it gave me important tools to get a good score. Teachers, books and all the materials that they use in class are great to improve English skills and vocabulary. In addition, if you want extra materials to study after class, teachers would provide you with extra exercises and they are willing to check them too! What I most like about Impact was my IELTS course and my teachers. I will always be grateful to them!"

- Andrea Sandoval, Venezuela  
IELTS 6.5

"Now that I have completed my English course at Impact English College, I am studying a Masters of Teaching at Victoria University. Yes, I got the 6.5 IELTS score that I was aiming for. It is so exciting! My classes at Impact prepared me perfectly for the IELTS exam, and also gave me practice with skills I needed for my studies at university. We did lots of practice tests in class, this helped us improve our results. My class size was small and that meant that teachers were able to give us individual attention, and I really enjoyed meeting and mixing with so many students from other countries. Impact provided me with just the right balance - some focused study in the class, and great opportunities to enjoy myself at the same time."

- Asumi Matsuzaki, Japan

Maxime Leenhardt, France

"I had a great time studying at Impact! Everybody is very friendly and it feels like I belong to a big family. I was in the IELTS class and I made a lot of progress. My teachers helped me prepare for the big exam and I could improve very quickly! I am very happy that I got IELTS 6.5 and now I can achieve my goals of furthering my studies at university!"
