'By writing, we learn to write.' - French proverb ●●●○●

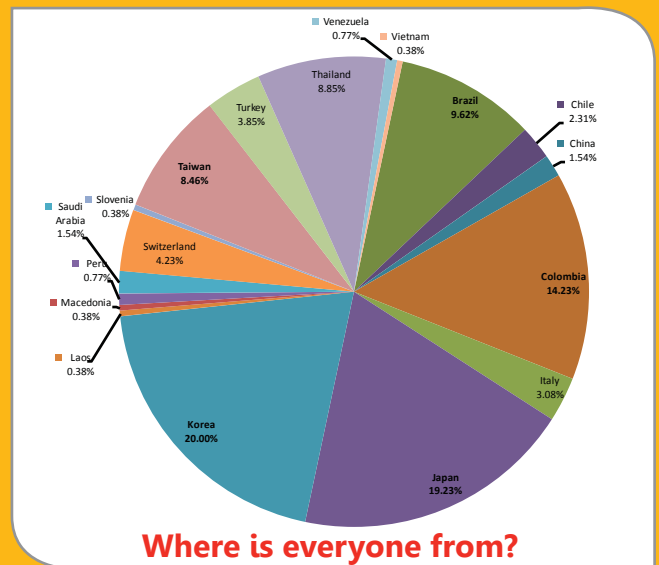

Greetings from...

Let me introduce myself as the new Marketing Officer at Impact. I was born in Colombia and came to Australia a few years ago as an international student to learn English. Prior to joining Impact, I worked with local education agents and it was then that I discovered how much I enjoyed working with students. I am extremely excited to be part of the fantastic team here at Impact and looking forward to meeting you all. I will be looking after the students from South America, but I welcome all nationalities, so feel free to stop by and talk to me. I will be more than happy to assist you with your enquiries. Last but not least, I would like to remind you all to apply the 'English Only Policy' not only in the school, but also during your everyday life while you are in Australia. From personal experience, I found it to be paramount in improving my English skills and would encourage all to do the same.
